

**2023 Side Letter of Agreement**  
**By and between**  
**Superior Court of California, County of San Luis Obispo**  
**And**  
**San Luis Obispo County Employees Association, Court Supervisory Unit**

This Agreement is a Side Letter to the Memorandum of Understanding, October 1, 2021, to September 30, 2024 (MOU) between the Superior Court of California, County of San Luis Obispo (Court) and SLOCEA (Union). All other terms of the October 1, 2021, through September 30, 2024, MOU will remain in full force and effect, except as modified herein.

The Court and Union agree to amend the MOU as follows:

**Article 6 – Work Schedules:**

**Pilot Alternative Work Schedule Program**

The Court and Union agree to implement an Alternate Work Schedule pilot project by February 4, 2024. The Pilot Program will take place from February 4, 2024, to August 3, 2024. All units will reassess AWS schedules at the end of the Pilot Program period. During the reassessment period, interested and eligible staff may submit an AWS request form. As a result of the reassessment, staff may be approved to continue an existing AWS, continue an AWS with a revised schedule, be approved for an AWS for the first time, or the request may be denied.

Any alternative work schedule must meet the needs of the Court and must not create overtime under this MOU or as required by law. An alternative work schedule must be in accordance with a written agreement between the employee and the Court Executive Officer or designee. Alternative work schedules will only be approved where operational needs are met, including but not limited to supervision requirements and coverage needs. An AWS request may be denied, or an existing AWS agreement may be discontinued if, at any time, the AWS does not meet the needs of the Court.

**Article 9 – Retirement Plan:**

A. Tier I Benefits

For employees hired prior to January 1, 2013, the Court will continue to participate in a retirement plan and will maintain the benefit of 2% @ 55 with an eighty percent (80%) cap on the maximum retirement benefit percentage. An employee's final average compensation will be the average of the employee's highest twelve (12) consecutive months of employment while a member of the SLO County Pension Trust.

The total amount that will be contributed to the retirement plan for each employee will be based on the employee's age at the time of entry into the plan. Currently the Court's share of the total rate shall be equal to the employer appropriate as determined by Pension Trust. An individual employee's rate shall be the difference between the total rate and the Court's share. Effective the pay period to include June 1, 2016, employees shall pay the employee share of pension contribution.

~~On a one-time, non-precedential basis, the adjustments made to the retirement plan by the County Pension Board of Trustees and/or the County Board of Supervisors during the term of this MOU will be attributed one hundred percent (100%) to the Court's share. On a one-time, non-precedential basis, the January 2023 adjustment made to the retirement plan by the County Pension Board of Trustees and/or the County Board of Supervisors will be attributed one hundred percent (100%) to the Court's share.~~ Future adjustments made to the retirement plan by the County Pension Trust Board of Trustees and/or the County Board of Supervisors will be attributed fifty percent (50%) to the Court's share and fifty percent (50%) attributed to the employee's share. An employee's share will not exceed a cumulative three-percentage point increase during the term of this agreement, October 1, 2021, through September 30, 2024. After the term of this agreement future adjustments will be shared at a 50/50 split between the Court and the employee. Any future adjustment to the pension obligation bond rate paid to the County will be borne by the Court.
