RULE 7.13 TELEPHONIC APPEARANCES

(a) Program Overview

- (1)** The CourtCall Telephonic Appearance Program (“CourtCall”) organizes a procedure for telephonic appearance by attorneys as a reasonable alternative to personal appearances in appropriate cases and situations. CourtCall is fully voluntary and no attorney is required to utilize CourtCall. Rather, CourtCall is available at a reasonable fixed fee to use when circumstances are appropriate.
- (2)** Designated courts conduct hearings on calendar in the usual manner, with the only difference being that hearing order preference is given to cases with CourtCall Appearances, unless the court exercises its discretion to call cases in a different order.
- (3)** Hearings are conducted in open court or in private as the Court may designate. All attorneys making CourtCall Appearances call a designated toll free teleconference number a few minutes before the calendar is scheduled, to check in with the clerk. Attorneys remain on the court’s speaker phone-telephone line and hear the same business that those present in the court may be hearing. Attorneys not participating telephonically appear in person. The court calls cases for hearing. All attorneys on a case participate in the hearing. All present in the courtroom hear the discourse of those making CourtCall Appearances.
- (4)** CourtCall Appearances are scheduled, in writing, in advance, by counsel serving on all other counsel and pro-se parties and delivering (via fax, mail, or personal delivery) to CourtCall, LLC, not less than five (5) court days prior to the hearing date, a Request for CourtCall Appearance form and by paying the stated fee for each CourtCall appearance.

(b) Participation in CourtCall Appearances

(1) Courts

- (a)** Judges and Commissioners may volunteer to participate in CourtCall. Each participating court must give calendar hearing order preference to cases which include attorneys making CourtCall appearances, except under unusual circumstances as determined by the court.
- (b)** Subject to the court’s right to amend this list, the following matters are currently deemed unsuitable for CourtCall appearances.

San Luis Obispo Superior Court

- (1) Judgment Debtor Examinations;
 - (2) Mandatory Settlement Conferences;
 - (3) Hearings at which oral testimony may be presented;
 - (4) Hearings in which oral argument is anticipated to exceed 15 minutes.
 - (c) The court reserves the right, at any time, to reject any Request for CourtCall appearance. When the court rejects a request, it must order a refund of deposited telephonic appearances fees and notify CourtCall, LLC.
 - (d) The court shall also reserve the right to halt the telephonic hearing on any matter and order the attorneys to personally appear at a later date and time, in which case no refund is permitted.
 - (e) If a matter is continued prior to the actual hearing date the prior filing of a Request for CourtCall appearance form must remain valid for the continued date of the hearing.
 - (f) Existing rules and procedures regarding the making of the record by a court reporter or electronic device or obtaining a transcript after the hearing must apply to hearings at which CourtCall appearances are made. No recordings may be made or telephonic appearances except in compliance with California Rule of Court 1.150.
- (2) **Attorneys**
 - (a) Attorneys electing to make a CourtCall appearance must serve on all other parties in the case the Request for CourtCall appearance form, fax a copy of the form to CourtCall, LLC and pay the CourtCall appearance fee in the method prescribed, not less than five court days before the hearing date. When the Request for CourtCall appearance is made at the same time as the filing of the hearing document or response, in addition to the Request for CourtCall appearance form, the words “CourtCall Appearance Requested” must be printed below the department, date, and time of the hearing on the first page of the papers filed with the court.
- (c) **Appearance Procedure**
 - (1) An attorney making a CourtCall appearance must:
 - (a) Eliminate to the greatest extent possible all ambient noise from the attorney’s location;
 - (b) Be required, during the attorney’s appearance, to speak directly into the telephone handset;
 - (c) Not call in with cellular or cordless telephone devices or through a personal computer.
 - (2) An attorney making a CourtCall appearance must call the court’s designated toll free teleconference line approximately 5 minutes prior to the scheduled hearing time and check in with the clerk. An attorney calling after the check-in period must be considered to be late for the hearing and must be treated by the Court in the same manner as if the attorney had personally appeared late for the hearing.
 - (3) An attorney appearing telephonically must state his or her name for the record each time the attorney speaks and must participate in the appearance with the same degree of courtesy and courtroom etiquette as is required for a personal appearance. An attorney must not utilize the “hold” button, as it is not within the policy of the Court to wait for an attorney to rejoin the line. (Amended 7/1/03)

RULE 10.08 CONTINUANCE POLICY

The welfare of the People of the State of California requires that all proceedings in criminal cases must be set for trial and heard at the earliest possible time. (PC 1050). Therefore it is the policy of this court to maximize the use of judicial time and avoid continuances, resetting and unnecessary trailing of cases. Any motion to continue in a criminal proceeding must comply with Penal Code Section 1050. Further this Court adheres to a no trial continuance policy -- when a courtroom event is scheduled that event should take place as scheduled.

(a) Responsibilities of Counsel

- (1)** Counsel's attention is directed to Rule 6-101 of the Rules of Professional Conduct of the State Bar of California "Failing to Act Competently
- (2)** A member of the State Bar must not
 - (a)** Accept employment or continue representation in a legal matter when the member does not have sufficient time, resources, and ability to perform the matter with competence, or
 - (b)** Repeatedly accept employment or continue representation in legal matters when the member reasonably should know that the member does not have or will not acquire before performance is required, sufficient time, resources and ability to perform the matter with competence..."
- (3)** Counsel should not set a case if they are committed to another trial during that period or if they are going to be on vacation. This includes cases set in Superior Court and cases in different branches and departments of this Court. Counsel should not schedule other cases to begin if they have another matter set in this Court. Neither reason constitutes "good cause" for a continuance.
- (4)** Motions, pretrials and trials are to be heard at the time and date set.
- (5) Substitute Counsel**

An attorney who appears for another attorney is representing the defendant then before the Court. An attorney who makes such an appearance is required to do so competently. Calif. Rules of Professional Conduct 6-101(A)(1). Such an attorney is expected to be prepared to carry out and perform any duties required at that calendar event; should a continuance be required it is counsel's responsibility to have complied with this policy and to know when the other attorney will be available to appear; if a case is not to be tried, counsel should have authority to dispose of the case. Should these rules not be complied with, sanctions may be applied against this attorney. (CCP 128.5, CCP 177.5, Calif. Rules of Court 2.30.) At the next scheduled calendar event, the counsel of record must file a declaration with the Court explaining the inability to be present at the last calendar event
- (6)** Counsel should not delay in filing and serving proper motions. Failure timely to file or serve without good cause may result in the imposition of sanctions.
- (7)** Counsel should subpoena witnesses as soon as a case is set for hearing or trial.
- (8)** Counsel should not accept representation of a defendant unless there is sufficient time to adequately prepare before the next scheduled event.

San Luis Obispo Superior Court

(b) Motions to Continue

Motions to continue must comply with Penal Code Section 1050 and must be submitted in duplicate. Courtroom events will be continued only when extraordinary circumstances, not within the control of the parties and which were not foreseeable at the time of setting the date of the event, necessitate a continuance. In ruling on motions to continue, the following factors will be taken into consideration:

- (1) The time when the need for the continuance arose, and the diligence of counsel in bringing the need for a continuance to the attention of the Court and opposing counsel at the earliest possible date and in attempting to avoid a continuance;
- (2) The proximity of trial, the age of the case, the established time limits for processing cases, and the nature of any previous continuances or prior orders entered in the case;
- (3) The earliest possible date all parties and the court will be read to proceed;
- (4) Whether the continuance may be avoided by substitution of attorneys or witnesses, or by the use of stipulations as to testimony, and
- (5) The injury or inconvenience caused to the party not requesting the continuance.

(c) Good Cause

Continuances will only be granted on the showing by competent evidence of good cause. The facts proven justifying good cause and the length of continuance must be set forth on the record. Good cause is NOT shown by the following:

- (1) Counsel's vacation or commitment to another trial or proceeding except as provided in PC 1050(g),
- (2) Failure of a client to adhere to a financial agreement with his attorney,
- (3) Failure to expeditiously prepare for trial,
- (4) A witnesses' vacation or attendance at school unless this is accompanied by a showing of the witnesses' unavailability, that the testimony is material and necessary and that the party seeking the attendance exercised due diligence to secure the presence of the witness,
- (5) Informal diversion,
- (6) A civil compromise pursuant to PC 1378,
- (7) Other pending cases,
- (8) Negotiations not yet completed.

(Misdemeanor cases coming within (5) and (6) can be conditionally dismissed on waiver of the prohibition against refileing).

(d) No Stipulated Continuances

No continuance will be granted solely because all parties agree thereto.

(e) Sanctions

The failure to adhere to this policy will result in the imposition of sanctions and the assessment of reasonable costs. CCP 128.5, CCP 177.5, Calif. Rules of Court 2.30.

(f) Trailing

Should it be necessary that cases be trailed for hearing or trial, they will be trailed day by day. The case will be called each day at 11:30, 4:30 and the next day at 8:30. When a case is trailing the defendant and counsel, except in extraordinary circumstances, must be present when the case is called. (Amended 7/1/01)

RULE 10.09 PHOTOGRAPHING OR RECORDING COURT PROCEEDINGS

These rules are established for the purpose of complying with and implementing the California Code of Civil Procedure (CCP), Sections 195 et seq., the California Penal Code (PC) Sections 903.1 et seq., and the California Rules of Court relating to the selection of jurors and the formation of jury trials in San Luis Obispo County. (Amended 1/1/09)

San Luis Obispo Superior Court

RULE 16.01 JURY COMMISSIONER APPOINTMENT

In the opinion of a majority of the judges, the business of the court requires the appointment of a Jury Commissioner. The judges have appointed a Jury Commissioner for San Luis Obispo County who shall have the authority, duties, and responsibilities to perform the functions as provided by CCP195.Amended 1/1/09

RULE 16.02 JUROR SELECTION

The Jury Commissioner may use mechanical, electric, or electronic equipment in the performance of any function for the selection and drawing of jurors by lot.

(a) Source List

The most current San Luis Obispo voter registration file, combined with the Department of Motor Vehicle file of licensed drivers and identification card-holders who are 18 years of age and older, will constitute the sources from which prospective jurors will be selected.

(b) Master Jury File

The Jury Commissioner will have a new master jury file prepared at least once during any consecutive 12 months. The number of names to be placed on such master jury file will be determined by the Jury Commissioner.

(1) The master jury file must be used for the selection of trial jurors in cases tried in all departments of the court.

(c) Random Selection of Prospective Jurors and Summoning Process

The plan for random selection must be designed by Jury Systems Incorporated (JSI), the Jury Management System contracted with the San Luis Obispo Superior Court, upon the approval of the Jury Commissioner, to ensure that a fair cross section of the eligible persons residing in San Luis Obispo County are selected and that random key numbers are generated and assigned for each prospective juror.

The summoning and qualifying of prospective jurors from the master jury file will be performed as one integrated process and ensure random selection from a fair cross section of the population served by the court. (Amended 1/1/09)

RULE 16.03 DISQUALIFICATION, EXEMPTION, EXCUSE, DEFERMENT OF JURORS

The Jury Commissioner, an assistant to the Jury Commissioner, or the court must determine the statutory disqualification or exemption of prospective jurors.

(a) Disqualification and Excuse Policy

A prospective juror may be disqualified or excused from service on the basis of one of the categories set forth in the statutes of CCP 203, 204 and CRC 2.1008 and as determined by the Jury Commissioner and/or the Presiding Judge of the court.

(1) Procedure for Granting Excuse from Jury Service

A request for excuse from jury service must be addressed to the Jury Commissioner, in writing, and submitted for determination prior to the appearance date, unless the excuse is granted in court the day of the trial. All requests for excuse by a prospective juror will be fairly reviewed and all relevant information will be considered. A prospective juror may be personally interviewed if it is determined necessary or desirable to do so by the Jury Commissioner. The Jury Commissioner may refer any request to the presiding judge for his/her determination.

(b) Deferment Policy

It is the intent of these rules and the policy of the court that, if a juror is excused for a reason that is temporary in nature, jury service must be deferred to future date when the excuse no longer exists. (Amended 1/1/09)

San Luis Obispo Superior Court

RULE 16.05 PANEL SELECTION

All prospective jurors summoned for the court must be selected from the master jury file. (a) Special Venires

The Jury Commissioner, after receiving notification that a case will require a special venire, will confer with the presiding judge and/or assigned trial judge before ordering jurors to appear.

(b) Supplemental Panels

(c) Trial Jury Assignments

During the trial, it must be the duty of the party demanding the jury to pay the Jury Commissioner's office daily, in advance, the per diem jury fees and mileage required by law for each successive day of service of the jurors impaneled in the case during the trial. The Jury Commissioner's Office has the duty to collect such fees and mileage for deposit in the Clerk's civil trust fund.

(2) Forfeiture of Deposit

If the case is settled or the jury has waived or the case goes off calendar for whatever reason, or the case is continued for trial on motion of the party depositing the jury fees, none of the deposit shall be refunded if the court finds there has been insufficient time to notify the jurors that the trial would not proceed at the time set. All fees determined to be retained pursuant to this rule must be transferred to the State of California.

(b) Telephone Standby

In matters that do not require a filing fee, such as requests for civil or family law restraining orders, a party who is eligible for a waiver of fees must file a Request to Waive Court Fees (Judicial Council Form FW-001).

The party requesting a court reporter must file and serve a Notice and Request for Court Reporter no later than seven (7) days prior to the scheduled hearing, with notice to all parties. The form Notice and Request for Court Reporter is available on the Court's website. A failure to file a timely request may be considered a waiver of a court reporter for the scheduled hearing. Failure to object within the time periods set forth herein is deemed a stipulation to the assignment of the Commissioner as a temporary judge for all purposes. The duties and powers of the Commissioner acting as a temporary judge in such assigned cases include but are not limited to conducting all pre-trial motions, orders to show cause, applications for domestic violence restraining orders, trial of all issues framed by the pleadings and all post-trial motions and hearings, whether or not contested, and such other matters that arise while the Commissioner is exercising the powers, duties and functions of a Superior Court Judge. RULE 19.03 USE OF JUDICIAL COUNCIL FORMS AND DOUBLE SPACING REQUIREMENT

All documents filed for matters pending in the Family Law Department must be on forms prescribed or provided by the Judicial Council. All other documents must be double spaced. Documents include, but are not limited to, declarations and points and authorities. (Amended 1/1/04)

Notice must be served at the time the first documents served on a party and the proof of service must be filed. The Petitioner/Plaintiff must review the information prior to service on the Respondent/Defendant. Notice of the information does not need to be served on an employee pension benefit plan. (Amended 7/1/02)

RULE 19.05 CUSTODY EVALUATIONS

- (a) The Superior Court of the County of San Luis Obispo adopts this rule pursuant to California Rules of Court 5.220(d). This rule may be modified by the Superior Court and published pursuant to Rules of Court.
- (b) In all cases, prior to or concurrent with the signing of an order under this section, the parties will be informed that Alternative Dispute Resolution (ADR) is an option to litigation.
- (c) A peremptory challenge of a court appointed evaluator who is employed by Family Court Services is not allowed. However, if a private evaluator is appointed and one of the parties wants to challenge the appointment, they must make the challenge at the earliest opportunity. If the appointment is made in open court, any challenge must be made at that time. The challenge may be made in a responsive declaration to an application for such an order. The parties or the court may request that an objection may be made in a letter to the Court within seven calendar days. One peremptory challenge is allowed per party (using the standards of CCP 170.6); challenges for cause are not limited.
- (d) Any evaluator appointed, whether a court employee or private evaluator may petition the court to withdraw from the case for cause, which may include, but is not necessarily limited to conflict of interest, time constraints or health reasons. An evaluator should expect to complete the evaluation within ninety days, assuming cooperation from the parties.
- (e) Any complaints regarding a private evaluator's performance must be presented to the presiding Family Law judge who will refer the complaint to a committee which must consist of one judicial officer appointed by the Family Law presiding judge, one member of the county Family Law Section appointed by the President of the Family Law Bar

San Luis Obispo Superior Court

Section, and the supervisor of Family Court Services, hereinafter known as the “Committee”. The committee members will serve for one calendar year commencing on January 1st of each year. These complaints and the entire review process must be strictly confidential.

- (f) **Ex-parte communications:** No one must communicate with the evaluator except in written form except to schedule an appointment and during a scheduled appointment. The evaluator must have all written communications available for review at a deposition or at trial.
- (g) Prior to the commencement of the evaluation, the evaluator must be provided a copy of the court order which specifies the specific code section wherein the evaluator is appointed, e.g., (1) Evidence Code §730, (2) Family Code §3111, or (3) Code of Civil Procedure §2032.
- (h) Evaluations may include psychological and other testing, or may be only a custody analysis without testing. Limited evaluations to specific issues may be ordered, and if so, the evaluator must restrict review to the terms of the order. If the evaluation is performed by a psychologist and is pre-judgment, the presumption is that it will include psychological testing and the collection of all available information for a full evaluation. If the evaluation is post-judgment, the presumption is that it will not include psychological testing and is confined to limited issues. If the evaluator believes more information is necessary, a request should be made to the judicial officer who signed the order for the evaluation. This request should be in letter form to the judicial officer and to the parties and counsel. Specific scope and purpose of the evaluation must include if requested:
 - (1) Individual or joint interviews with the parties and/or their children;

 - (8) Whether this evaluation is limited to specific issues the court wishes to consider;
 - (9) Whether domestic violence or drug and alcohol issues should be evaluated.
- (i) Child custody evaluators who accept appointments from the court are expected to strictly adhere to requirements of this rule. The term of appointment ends when their report is filed, except for court testimony. If there is a need for an “update” there must be a new order issued to define the terms of the update.
- (j) The court order must allocate, or reserve allocation, of any fees and costs for the evaluation. Unless otherwise stated, the evaluator is responsible for collecting payment directly from the parties.
- (k) The child custody evaluator must:
 - (1) Consider the health, safety, welfare, and best interest of the child within the scope and purpose of the evaluation as defined by the court order;
 - (2) Strive to minimize the potential for psychological trauma to children during the evaluation process; and
 - (3) Include in the initial meeting with each child an age appropriate explanation of the evaluation process, including limitations on the confidentiality of the process. The parents, guardian and/or the attorney for the minor(s) must be provided with the guidelines of confidentiality regarding information given to and from the minor(s). These guidelines must be prepared by the Committee and provided to the evaluators in written form to use as a handout.
- (l) All evaluators who are appointed by the court for child custody evaluations pursuant to this rule, must meet the qualifications, training, and continuing education requirements specified under Family Code Sections 185, 186, and 3111, and Rule 5.225 or other such codes that may apply. The evaluator has the ongoing responsibility for informing the court that they have met the requirements of continuing education. Those requirements will be

San Luis Obispo Superior Court

reviewed by the Committee aforementioned. The information must be provided to the court annually by the evaluator to maintain eligibility on the court approved list of evaluators.

- (m) The requirements in performing an evaluation are that the child custody evaluator must provide:
- (1) A written explanation of the process that clearly describes the:
 - (a) Purpose of the evaluation;

 - (c) Scope and distribution of the evaluation report;
 - (d) Limitations on the confidentiality of the process; and
 - (e) Cost and payment responsibility for the evaluation.
 - (2) Data collection and analysis that allow the evaluator to observe and consider each party in comparable ways and to substantiate (from multiple sources when possible) interpretations and conclusions regarding each child's developmental needs; the quality of attachment to each parent and that parent's social environment; and reactions to the separation, divorce, or parental conflict. This process may include but is not limited to:
 - (a) Reviewing pertinent documents related to custody, including law enforcement records;
 - (b) Observing parent-child interaction (unless contraindicated to protect the best interest of the child); if this interaction is prohibited by a court the order of appointment must so state, if the interaction is contraindicated by the evaluator, he/she must inform the parties to allow a reasonable time to amend or clarify the court order.
 - (c) Interviewing parents conjointly, individually, or both conjointly and individually (unless contraindicated in cases involving domestic violence), to assess:
 - (1) Capacity for setting age-appropriate limits and for understanding and responding to the child's needs;
 - (2) History of involvement in caring for the child;
 - (3) Methods for working toward resolution of the child custody conflict;
 - (4) History of child abuse, domestic violence, substance abuse, and psychiatric illness; and
 - (5) Psychological and social functioning;

 - (e) Collecting relevant corroborating information or documents as permitted by law;
 - (f) Consulting with other experts to develop information that is beyond the evaluator's scope of practice or area of expertise, e.g., learning disabilities, IEP, ADD, ADHD, mental illness, severe physical disability and other special needs.
 - (3) A written and/or oral presentation of findings that is consistent with Family Code Section 3111 or Evidence Code Section 730. In any presentation of findings, the evaluator must:
 - (a) Summarize the data-gathering procedures, information sources, and times spent, and present all relevant information, including information that does not support the conclusions reached;
 - (b) Describe any limitations in the evaluation that result from unobtainable information, whether there was failure or inability of a party to cooperate, or the circumstances of particular interviews;

San Luis Obispo Superior Court

- (c) Only make a custody or visitation recommendation for a party who has been evaluated. This requirement does not preclude the evaluator from making an interim recommendation that is in the best interest of the child; and
 - (d) Provide clear, detailed recommendations that are consistent with the health, safety, welfare, and best interest of the child(ren), if the evaluator is ordered to make any recommendations to the court regarding a parenting plan. Recommendations must include consideration for any changes that may occur with reasonable foreseeability.
- (4) **[Cooperation with professionals in another jurisdiction]**
When one party resides in another jurisdiction, the custody evaluator may rely on another qualified neutral professional for assistance in gathering information. In order to ensure a thorough and comparably reliable out-of-jurisdiction evaluation, the evaluator must:
- (a) Make a written request that includes, as appropriate:
 - (1) A copy of all relevant court orders;
 - (2) An outline of issues to be explored;
 - (3) A list of the individuals who must or may be contacted;
 - (4) A description of the necessary structure and setting for interviews;
 - (5) A statement as to whether a home visit is required;
 - (6) A request for relevant documents such as policy records, school reports, or other document review; and
 - (7) A request that a written report be returned only to the evaluator and that no copies of the report be distributed to parties or attorneys;
 - (b) Provide instructions that limit the out-of-jurisdiction report to factual matters and behavioral observations rather than recommendations regarding the overall custody plan;
 - (c) Attach and discuss the report provided by the professional in another jurisdiction in the evaluator's final report.
- (n) In performing an evaluation, the child custody evaluator must:
- (1) Maintain objectivity, provide and gather balanced information for both parties, and control for bias;
 - (2) Protect the confidentiality of the parties and children in collateral contacts and not release information about the case to any individual except as authorized by the court or statute;
 - (3) Not offer any recommendations about a party unless that party has been evaluated directly or in consultation with another qualified neutral professional;
 - (4) Consider the health, safety, welfare, and best interest of the child in all phases of the process, including interviews with parents, extended family members, counsel for the child, and other interested parties or collateral contacts;
 - (5) Strive to maintain the confidential relationship between the child or party who is the subject of an evaluation and his or her treating psychotherapist;
 - (6) Operate within the limits of the evaluator's training and experience and disclose any limitations or bias that would affect the evaluator's ability to conduct the evaluation;
 - (7) Not pressure children to state a custodial preference;
 - (8) Inform the parties of the evaluator's reporting requirements, including, but not limited to, suspected child abuse, domestic violence and neglect and threats to harm oneself or another person;
 - (9) Not disclose any recommendations to the parties, their attorneys, or the attorney of the child before having gathered the information necessary to support the conclusion;

The Court's policy, is that the parties and counsel should exercise restraint and caution in disseminating this information to others. The following counsel fees must be awarded under normal circumstances in an action on a promissory note, contract providing for the payment of counsel fees and foreclosure:

(a) Default Action on Note or Contract

Exclusive of costs:

Any part of first	\$1,000 (\$250 minimum) fee.

RULE 25.03 COURT APPOINTED COUNSEL AND PUBLIC DEFENSE SERVICES

(a) Determination of Attorney Compensation and Necessary Expenses of Defense

In each case in which a person has been furnished services of counsel or other defense services at public expense pursuant to an appointment by the court, upon conclusion of the proceedings, the court must make a determination of the county cost incurred for attorney

San Luis Obispo Superior Court

compensation and necessary expenses of defense. Counsel must be prepared at that time to submit an approved form of client financial statements and itemized information as to the time devoted to the case, expenses incurred and all claims made and compensation received in connection with the case. Expenses will not be considered reasonable unless authorized by the court before they are incurred. The amount of time shown on said itemized statement must reflect no more than the actual "billable" time that an attorney ethically would bill to a member of the public who that attorney might represent in private practice. The time itemized must not include attorney's traveling time or expenses or research or preparation time which would not be required of an attorney reasonably experienced in the practice of criminal law. Said itemized statement must be submitted to the court by counsel in the form of a declaration signed under penalty of perjury.

(b) Reimbursement Order

In the event any person may be required by law to reimburse the county for compensation of counsel or costs of defense services, the court, after determining the amount thereof must make a determination of the present ability of such person to pay all or a portion of such amount and must make such reasonable order for payment as is authorized by law. This determination and the determinations required by paragraph (a) above must be made only after the court has held a hearing. All persons required by law to reimburse the county for compensation of private counsel or costs of defense services must be entitled to reasonable notice of the hearing, and may appear thereat, with counsel, and participate therein, including the presentation of evidence and the cross-examination of witnesses.

(c) Collection

The court, in its discretion, may delegate to the appropriate county officer the authority to collect such reimbursement and to establish and modify arrangements for installment payments. In addition, to the extent authorized by law, it may delegate to such officer authority to reduce or cancel unpaid repayment obligations upon a finding by the officer that the person obligated no longer has the ability to pay the amount ordered.

(d) Action on Claim

Within a reasonable period of time from the date of filing of counsel's request for a fee order and itemized declaration in support thereof, the court must determine whether or not said request and declaration conform to the contents of this rule and any corresponding court policy. If the request and declaration conform to this rule and any corresponding court policy, an order must be made and delivered forthwith to the Auditor of the County of San Luis Obispo for payment out of the General Fund of the County of San Luis Obispo as set forth in Penal Code Section 987.2(a). In the event the court determines that the request and declaration are not or may not be in conformance with this rule and any corresponding court policy, the court may reduce the claim as it deems appropriate or may notify counsel that said request for attorney's fees is denied pending a hearing to be scheduled on the law and motion calendar of the court. Any such hearing must take into account the schedules of the court and counsel. Any time spent on any such hearing must not be a charge against the County of San Luis Obispo or the court. At the conclusion of any such hearing, the court must make a final order as to the amount of attorney's fees to which said counsel is entitled pursuant to this rule and any corresponding court policy.

(e) Recognizing the Constitutional requirement to provide competent and qualified counsel, and subject to the determination by the trial court to a reasonable fee for services pursuant to Penal Code Sections 987.2 and 987.3, counsel must be appointed and compensated in accordance with such guidelines as the court may from time to time set forth in its policies. (Amended 7/1/02)

RULE 25.04 UNUSUAL CASES WARRANTING INCREASED FEES

In the event that counsel has provided extraordinary services in the prosecution of litigation such that the schedules called for in this rule would not provide a fair and reasonable compensation on a per hour or per diem basis, he or she may move the court, after written noticed motion to all parties, including the client(s) of the attorney making the motion, for an increased fee allowance.

San Luis Obispo Superior Court

Counsel must submit with the motion an itemized sworn statement of services provided together with the dates and times such services were rendered. (Amended 7/1/02)

CHAPTER 26 – RULES FOR ARBITRATION

RULE 26.00 INTRODUCTION

- (a) The uniform system of arbitration in the San Luis Obispo County Superior Court hereby provides that the following actions be arbitrated:
- (1) Upon stipulation, any action regardless of the amount in controversy.
 - (2) Upon filing of an election by the plaintiff, any action where the plaintiff agrees that the arbitration award must not exceed \$50,000.
 - (3) All unlimited civil actions where the amount in controversy does not exceed \$50,000 to any plaintiff.
- (b) **Exempt Actions**
- (1) Actions that include meritorious prayers for equitable relief.
 - (2) Class actions.
 - (3) Small claims actions.
 - (4) Unlawful detainer proceeding where possession is in issue.
 - (5) Any action found by the court to be not amenable to arbitration on the ground that arbitration would not reduce the probable time and expense necessary to resolve the litigation.
- (c) Any action where the amount in controversy does not exceed \$25,000. (Amended 7/1/02)

RULE 26.01 SANCTIONS FOR NON-PARTICIPATION

All parties to an action, together with their attorneys, if any, must attend and participate in good faith in court ordered mandatory arbitration proceedings. If a party fails to attend and participate in good faith in a court ordered mandatory arbitration proceeding and thereafter that party requests a trial pursuant to Rule 1616, an order to show cause must issue to such party. At the hearing, the court must find whether the non-participation constituted bad faith, frivolity, disobedience to a lawful order or was intended solely for the purpose of causing unnecessary delay. A belief, even held in good faith, that the arbitration will not result in a final disposition of the litigation is not a justification for non-participation and will not negate an assertion of bad faith non-participation. (Eff. Prior to 7/1/92)

RULE 26.02 COMPENSATION OF ARBITRATOR

- (a) The parties to a court ordered arbitration in civil matters must compensate the arbitrator selected in the amount of \$250.00 for his or her services as an arbitrator. The cost must be born pro rata by the parties. Any party proceeding in forma pauperis must be exempt from paying his or her pro-rata share, and the arbitrator's compensation must be abated by that amount.
- (b) *(Subd (b) amended effective 1/1/2020)*

RULE 26.03 SELECTION OF ARBITRATOR

In any case which the court refers to mandatory non-binding arbitration, counsel must select an arbitrator on the date of referral. Arbitration Coordinator must provide counsel with a list of proposed arbitrators. (Amended 7/1/02)

San Luis Obispo Superior Court

RULE 26.04 RULES OF ARBITRATION

CHAPTER 27 – SAN LUIS OBISPO COUNTY TRIAL RULES

RULE 27.00 APPLICABILITY

These rules must supplement the California Rules of Court, and must apply to all trials conducted in San Luis Obispo County Superior Court. (Eff. Prior to 7/1/92)

RULE 27.01 JURY INSTRUCTIONS

(a) Proposed Pattern of Jury Instructions

In jury trials the instruction forms contained in the most recent editions of "California Approved Civil Instructions" (CACI) and "California Jury Instructions-Criminal" (CALCRIM) should be used when applicable. Due consideration will be given to proposed instructions drafted or submitted by attorneys as well as the CACI and CALCRIM forms.

Not later than one day after the jury is selected, counsel must meet and confer, face-to-face unless excused by the trial judge. They must separate the proposed jury instructions so as to eliminate redundancy. The proposed instructions must then be separated into two groups. The first group of instructions must consist of those that all parties agree can be given by the court as drafted. The second must consist of those proposed instructions about which counsel disagree and wish to have a court ruling before submission to the jury.

The parties or their counsel must then meet and confer with the court in chambers to discuss the proposed instructions. The court may give indicated rulings which may subsequently be put on the record.

The court will assign responsibility for preparing "clean" copies of the instructions to be given by the court for delivery to the jury in the jury room. Those "clean" instructions must not indicate which party submitted the proposed instruction nor must they replicate the source of the text, the citation of authority, if any, or the judge's signature.

(b) Instructions to be Completed

It must be the duty and responsibility of counsel proposing a pattern instruction to complete all blanks contained in it necessary for the purpose of the instruction. Failure to do so must be deemed by the court as sufficient cause to refuse the proposed instruction.

(c) Additional Instructions Drafted by Counsel

Counsel may draft and submit additional proposed instructions. Each must be numbered in consecutive order and indicate the party upon whose behalf it is requested. Failure to cite on any such instruction the authorities relied upon to support giving it must be deemed by the court as sufficient cause to refuse the proposed instruction.

(d) Method of Filing Proposed Instructions with Trial Judge

In all jury trials, counsel must present to the court a document setting forth in the usual manner the title of the court, title and number of the action, and title of the document, namely, "Instructions requested by _____." A copy of the document must be served upon each of the other counsel in the case. The document must list by number the CACI and/or CALCRIM instructions requested by counsel and counsel must attach to the original the (1) instructions so requested that are in print and available; and if such instructions are modified, by the completion of blanks, the deletion of bracketed material, or in any other manner made complete; (2) if the instructions so requested are not locally available, it will

San Luis Obispo Superior Court

be counsel's responsibility to type such instructions; and (3) the additional instructions, if any, as provided in paragraph (c) above.

(e) **Time for Delivery of Proposed Instructions to Court**

Counsel are encouraged to file requested jury instructions and verdict forms at least two court days before the date scheduled for trial.

(Amended 7/1/10)

RULE 27.02 PRETRIAL PROCEDURES AND REQUIREMENTS

- (a) The following documents and things must be filed 5 court days before the date scheduled for trial: A brief statement of the case and the issues to be determined by trial; The estimated time required for the trial; Stipulated facts or admissions of the parties; Any special voir dire questions or requests; A witness list; Motions in limine; and A statement of any unusual evidentiary or legal issues.

RULE 27.03 MOTIONS IN LIMINE, CIVIL JURY TRIALS

In civil jury trials, counsel must make any In Limine motions as follows:

- (a) The motion to be filed and served by FAX, express mail or personal service, not later than five court days before the first calendar call of the case.
- (b) Motion must include:
- (1) Counsel's best estimate of the time that will be required to properly hear and dispose of the motion(s).
 - (2) The general subject(s) of the motion(s) together with points and/or authorities.
- (Amended 7/1/09)

RULE 27.04 RESETTING OF LONG CAUSE TO SUMMARY JURY TRIALS

- (a) If, in the opinion of the judge presiding, a civil jury trial scheduled for trial will require ten (10) or more days of trial it may be assigned for a "summary jury trial"
- (b) The "summary jury trial" format must consist of the following:
- (1) **Agreed Statement**
An agreed statement will be compiled by the parties to the action which will set forth the identity and nature of the parties, the essential facts of the case and a brief outline of the procedures to be used in the "summary jury trial."
 - (2) **Jury Selection**
The judge must be solely responsible for jury voir dire. A jury of six (6) persons will be selected from a panel of twelve (12). The judge will concentrate on issues of cause only and no peremptory challenges will be allowed. After the jury is selected, the agreed statement will be read to the six members of the jury. This stage should last no longer than thirty (30) minutes.
 - (3) **Required Attendees**
The "summary jury trial" must be attended by all plaintiffs and cross complainants, their respective counsel, the defendants and cross-defendants, or if they are insured, adjusters representing their respective insurers who have responsibility for the case and plenary monetary authority to settle the case and their respective counsel. To the extent not inconsistent with this provision, the rules of Chapter 9 of these rules must apply to "summary jury trials" with regard to attendance and sanctions.
 - (4) **Presentation of Evidence**
Plaintiff must be allowed one hour within which to present evidence to the jury. This evidence may include reading from deposition transcripts, presentation of exhibits or graphic representations and statements by counsel constituting factual allegations. Counsel must refrain from arguing the case at this point and must confine himself or herself to presenting what he or she believes to be the facts of the case through anticipated testimony of witnesses.

San Luis Obispo Superior Court

The defendant must be allowed one hour to present his or her evidence on behalf of his or her client. If there are more than two parties, the trial judge may divide the time equitably to fit within the time available (approximately 2-1/2 hours). All counsel must refrain from making any objections during the presentation of any party's case. The judge must be vested with the authority to make objections on the grounds of relevancy and argument only. All other objections such as lack of foundation, hearsay, etc. will not be made during the presentation of evidence.

(5) Argument of Counsel

Plaintiff must open and close. The trial judge must assign the time limitations on argument (approximately 20 minutes per side).

(6) Jury Instructions

A limited number of concise jury instructions will be agreed upon before the trial and will be presented to the judge. They should take no longer than 10 minutes to read to the jury and the parties must provide clean copies to be used by the jurors. The jury must be instructed to decide the issues presented to them. The issues must be set forth in a special verdict form. Five of the six jurors must agree for there to be a verdict. They must have a time limit of three (3) hours or 4:30 p.m., whichever is sooner. If they have not reached a verdict by that time, they will be called back into the courtroom so that they can announce the status of their deliberations and counsel will be allowed to ask them questions. If they have reached a verdict, the verdict will be announced and counsel will again be allowed to ask questions of the panel.

RULE 27.05 VOLUNTARY SUMMARY JURY TRIAL

At any time after the mandatory settlement conference has been held the parties may stipulate to conduct a "summary jury trial." Upon such stipulation being filed with the court, the court administrator will co-ordinate the conduct of the proceeding utilizing court resources as they may be available. (Eff. Prior to 7/1/92)
